**MLB PITCH, HIT & RUN** - Major League Baseball® Pitch Hit & Run is a free event that provides boys and girls – ages 7 to 14 – an opportunity to showcase their baseball and softball skills, while earning a chance to attend and perform during the MLB® World Series!

Athletes are tested, and their measurements are recorded. Based on their scores, they advance from a local event to a Team Championship held in MLB stadiums. Top scores then qualify for an all-expenses-paid trip for two to compete at the National Finals, which is hosted at the World Series.

**DYB** continues to strive to offer a wholesome recreational outlet for our children. This has been our goal since our beginnings 68 years ago. We hope this environment offers our children a safe place to develop strong character, a positive attitude and a sense of responsibility, with adult volunteers setting the example. Much has changed in our world since 1955 but still our most important resources are our children....our leaders of tomorrow!

As it says in Proverbs 22:6 "Train up a child in the way he should go and, when he is old, he will not depart from it."

**SOUTH CAROLINA** – At the South Carolina DYB State Meeting in Sumter, Zonda Cox of Georgetown was awarded the South Carolina DYB Danny Jones Award for 2023. The SC DYB Danny Jones Award is given to one person in the state who has been committed to the development of baseball/softball for youth in South Carolina.

Mrs. Cox has served in many different positions for the Georgetown County Baseball/Softball Booster Club through the years. She is also being honored as the Georgetown County Volunteer of the Year.

CONGRATULATIONS ZONDA!
